

Airport 101

What's the Value of Your Airport?

Join us at Wittman Regional Airport on Wednesday December 3 & 10th for two exciting nights of aviation education and learn why your airport is a valuable part of the local economy more than just during the 10 days of AirVenture each year. The events begin at 7 p.m. each night.

Some of the Airport 101 topics include:

- The role of Wittman Airport in the National Airspace System
- The kinds of airplanes that regularly use the airport
- A top-10 glossary of the airport words and phrases
- The financial facts about the airport every taxpayer should understand
- Why an airport with no airline service is really a good thing
- A look at some of the hundreds of jobs on the airport
- An explanation of what the different colored lights mean
- A tour of some airport facilities
- Highlights of the aviation careers available on the field
- Talks from some of the businesses that call Wittman Airport home
- Why the airport has so much open land
- The local off-airport companies that depend on the airport for success
- Meeting some of the people responsible for Wittman Airport's success
- And much, much more ...

Reservations are required so please contact the airport office at 920-236-4930 or e-mail Robert Mark at rmark@wittmanairport.com to hold your spot. A light snack and beverages will be served.
